We would like to stay in touch with you and let you know about other organ programs for young people. The Young Organists Initiative will award scholarship winners twenty lessons (\$600) of formal organ study with a qualified teacher from the AGO. Scholars will play the organ at King's Chapel in Boston on June 26, 2018 at 12:15 PM, and will receive a generous voucher for music from Spectrum Music Company.

For more information contact Christine Hogan, Chair of the Young Organists Initiative at christine01776@verizon.net 978-440-8756.
