

American Guild of Organists (AGO) Boston Chapter Substitute List

Available online at www.bostonago.com (updated August 2018)

The Boston chapter of the American Guild of Organists maintains this list as a service to its members and to any seeking a substitute musician. Everything provided is self-identified by those who submit their names for inclusion. The Boston chapter has not verified anything except that each name identifies an individual who is a full member in good standing of the AGO.

The Boston chapter is unable to ensure that a particular individual will fulfill the needs of any given situation. If you require a substitute, you should contact individuals to determine if they will be a good fit for you.

Negotiating parties are responsible for matching requirements, skills, payment, etc.
