We would like to stay in touch with you and let you know about other organ programs for young people. The Young Organists Initiative will award scholarship winners \$600 (approximately 20 lessons) of formal organ study with a qualified teacher from the AGO assigned and approved by the Committee. Former Scholarship Winners are not eligible. Each scholarship winner will receive \$50 award to use toward organ shoes, music or organ necessities and \$50 award following performance in one or both recitals.

Scholars will play the organ at a recital either The Dover Church in Dover on May 17, 2020 and/or King's Chapel in Boston on June 30, 2020 at 12:15 PM. Failure to participate in one of the recitals will result in forfeiture of the scholarship.
