A Message from the Dean

Greetings Colleagues,

The Annual Meeting of the Boston Chapter will take place on Monday, June 20th, at 6:30 PM via ZOOM. Information on the ZOOM meeting is below.

Coming out of Covid, we sadly have not had the opportunity to meet in person. Joining in this meeting will allow us to see one another, get an update on what's happened during the 2021-2022 Program Year, and get a preview of the upcoming programs for 2022-2023. You'll also get a chance to greet the new Officers of the Chapter. If you have any questions, please let me know. I look forward to seeing you on Monday.

Chapter Instrument Feature: Reservoir Church

Originally Our Lady of Pity - Casavant Frères Ltée. (Opus 993, 1923)

This instrument was built in 1923 by the Casavant company of Canada for the Notre Dame de Pitié Catholic church. It is especially notable for being dedicated by Marcel Dupre. It served this French parish of its Cambridge neighborhood until the late 1990s when the parish was closed and the building sold to what is now Reservoir Church. The instrument's 34 ranks over 3 manuals and pedal now play into the relatively live acoustic of the modified church building.
