

American Guild of Organists (AGO) Boston Chapter Substitute List

Available online at www.bostonago.com (*updated October 2023*)

The Boston chapter of the American Guild of Organists maintains this list as a service to its members and to any seeking a substitute musician. Everything provided is self-identified by those who submit their names for inclusion. The Boston chapter only verified that each name identifies an individual who is a full member in good standing of the AGO. The Boston chapter is unable to ensure that a particular individual will fulfill the needs of any given situation. If you require a substitute, you should contact individuals to determine if they will be a good fit for you.

By appearing on this list, you have acknowledged that the information you have provided, including email address and phone numbers, will be freely available to anyone who visits the Boston Chapter's website. The Chapter takes no responsibility for how that information is used by the general public.

Negotiating parties are responsible for matching requirements, skills, payment, etc.
